Question:

Address all "Question and Answer" mail to:

John Fliss, 321 Pershing Drive, New Kensington,
Pa. 15068

Answer:

Before I begin the regular column, I wish to apologize for missing the last issue. Because of confusion on my part alone regarding the deadline, our Secretary never received the copy in time for publication. I promise not to do it again....

Q. Several readers have asked if the St. Paul Mercantile Co., St. Paul, Ill. tokens are coal scrip and if so, what coal company did it serve?

A. This is definitely NOT coal scrip. The August 1976 issue of TAMS contains an article explaining the use of this scrip. It was a private issue used primarily in the farm area of St. Paul in the early 1900's.

Q. A Florida reader sent a rubbing of an interesting medal. OBV. The Berwind-White Coal Mining Co. 50th Anniversary. REV. Eureka 1886-1936, Tiffany & Co. (Mfg). He would like to know if this is a common find and he would also like to know if this company ever issued any scrip.

A. I do not believe the medal can be described as common. I would like to hear from any readers familiar with it. In this manner we may determine its scarcity. It is almost certainly a Pennsylvania medal as Berwind-White operated only in Pa. according to Dodrill. And, as for actual tokens, Dodrill lists none and I have never seen any. Does anyone have a Berwind-White token or one of the medals?

Q. The same Scriptor would like to know if anyone can identify the following token: HOFMEIER & DEEGANS, GLEN JEAN, W.VA., $2\frac{1}{2}$ c, Bronze, Unk. Mfg. Is it coal?

A. I am unable to answer this. In my opinion the odd $2\frac{1}{2}$ c value would indicate this to be a merchant token similar to the $7\frac{1}{4}$ c and the $12\frac{1}{2}$ c saloon tokens used to encourage the purchase of a 25¢ drink. The $2\frac{1}{2}$ c denomination would be ideal for 5¢ and 10¢ purchases. However, the Deegan surname is definitely associated with coal especially in Logan County, W.Va. Can any reader enlighten us?

Q. A Morgantown W. Va. Scriptor wants to know what coal company, if any, was associated with The CARAVASIO Restaurant of Benwood, W.Va.

A. This is a question that I have wanted to ask for sometime. Any help from the audience?

Q. I have always wanted to know for certain from "how many of the 50 states is there known coal scrip?"

A. I have my own figures but I would like to hear from some of the "biggies" such as Tippy, Caldwell, Edkins, Jensen and Snodgress. Expect an answer for the next bulletin!!

Q. A reader wants to know if his token, L. M. Kuhn, Monongah, W.Va. is coal scrip.

A. L. M. Kuhn operated a combination grocery store and post office in Monongah from 1901 to 1921. He was not associated with Consolidation Coal in that area. He served mainly the farmers and other residents of the area who were not miners. His tokens are not coal scrip. This is according to information obtained from David E. Schenkman's "A Survey of American Trade Tokens."

TIP'S TIPS

R. R. "Tip" Tippy, President
National Scrip Collectors Association
102½ Meadow Road
Oak Ridge, Tennessee 37830

The consensus of the approximately 65 people attending the Fall Meeting can perhaps be summarized: "We can look in retrospect at the Corbin, Kentucky meeting with satisfaction and to the Spring Meeting at Pipestem State Park with considerable anticipation." For those of you unable to attend our meeting on October 8 and 9, perhaps a brief summary would be in order:

1. Actions taken at the business meeting included:

- A. Our collecting interests will continue to be primarily coal and lumber tokens and will not include mill tokens.
- B. Effective with the next election of officers (Spring 1977) - the officers will be elected for two year terms.
- C. Your President with a committee he will appoint has been authorized to meet with Scriptor Don Edkins in an effort to re-activate and expedite all phases of Mr. Edkin's pending book on coal scrip. Subsequent to the meeting, I have been in touch with Don and he is not only agreeable to this approach, but is most anxious to complete his past five years of effort.
- D. Committee appointments were made and hopefully the chairman of each committee will have a report to bring to the Spring Meeting. In order for some of these committees to effectively function, they need the "in-put" that only YOU can furnish. Specifically, you are requested to contact Paul Jensen - Chairman of the Nominating Committee and Cole S. Cuttle, Chairman of the Site Selection Committee for next year's meetings.

2. A hospitality room, with a variety of refreshments, was provided by Paul and Betty Jensen, which was . . . st and was most popular. They were given a rousing round of applause at the business meeting and their actions equate to true southern hospitality with a capital "H".

3. The Whitakers, Nichols, Rogers, Kageys, and Tippys donated a few "goodies" that were presented primarily to the ladies present, that is, wives of members. One prize was presented to Scriptor Paul Greenberg of Yonkers, New York for traveling the greatest distance - 980 miles one way plus some inclement weather. This is what I call a dedicated Scriptor.

Fred Lange, alias Cole S. Cuttle, program chairman for the Spring Meeting, with the most able assistance of his wife, Judy, have been working on this meeting for the past several months. Your attention is called to another section of SCRIP TALK for some of the details of this big event. I can say without reservation that this 10th Anniversary meeting of scriptors, under the most able direction of Fred and Judy, should be our biggest and best ever. Better get your reservations in early !!

SOME RAMBLINGS:

A Knoxville, Tennessee television station took a number of shots of the Corbin meeting for showing and a great number of advance stories were distributed to approximately thirty regional newspapers and radio stations. In spite of this effort, the local turn out was very disappointing. On the other hand, it was a delight to see a number of NSCA members from the area attending their first meeting..... Some scriptors were selling some of the more common pieces of scrip for three pieces for one dollar. Actions such as this are excellent for the new and potential scrip collector and these scriptors are to be complimented..... Some "nut" was observed giving away empty Prince Albert tobacco cans and some scriptors were observed putting their newly acquired loot in these cans..... Our new members are coming in rather slowly -- won't you please look around in your area and sign up at least one new member?? With all of the wealth of information that many of you have acquired -- please take the time to sit down and write an article for publication in YOUR bulletin SCRIP TALK. In closing, may I use a little philosophy in a quote which is not original with me and it goes as follows:
"I AM ONLY ONE, BUT I AM ONE. I CAN'T DO EVERYTHING, BUT I CAN DO SOMETHING. AND WHAT I CAN DO, THAT I OUGHT TO DO AND WHAT I OUGHT TO DO, BY THE GRACE OF GOD, I WILL DO." ... Good collecting and I will see you at the Spring Meeting.

MINUTES

THE SEMI-ANNUAL meeting of the NATIONAL SCRIP COLLECTORS ASSOC. was held on SATURDAY, OCTOBER 9, 1976, at 1:30 p.m., at the Holiday Inn, Corbin, Kentucky. President R. R. Tippy ascertained the presence of a quorum for the transaction of business. The minutes of the previous meeting were read and approved.

Following a discussion, a motion carried that the admission of mill tokens as an additional field of interest be tabled for the present time.

President Tippy reported on correspondence with Scriptor Don Edkins concerning the pending book on coal scrip tokens. Following a discussion, a motion carried that the President appoint a committee to meet with Scriptor Edkins in regard to the book and that the committee be authorized to expend all funds necessary from the organization treasury to get the book publication finalized. President Tippy announced that he, along with Walter Caldwell, and one other member to be announced later.

It was announced that the Spring 1977 meeting would be held at Pipestem State Park on April 29, 30 and May 1, 1977. Pipestem State Park is located between Beckley and Princeton, West Va. and is reported to be one of the finest parks in the East. Additional details will be presented in a future bulletin.

Following a discussion, the following change in the By-Laws was approved:
ARTICLE IV - OFFICERS: Section 4. "The officers term of office shall be for two years or until their successors are duly elected, or as otherwise may be provided by the Constitution and By-Laws." It was noted that since only two meetings are held each year, it would better serve the organization to have the officers serve two year terms.

The Treasurer reported that the current club balance was \$1983.52. All funds are on deposit at The Fayette County National Bank, Fayetteville, West Va., and the Treasurer is under bond.

The Secretary reported that R. W. Colbert and W. E. Matheny are currently leading in the membership contest with each having signed 3 new members. The following all have 1 new member in the contest: Schmidt, Litchenberg, Fitzwilliam, Rippe, Mace, K. Smith, Fliss, Jensen, O'Brien, Chambers, Hall, Cunningham, and Seipelt. It was noted that the current contest would close at the date of the Spring 1977 meeting and a large hand-made, walnut trophy will be presented to the top membership recruiter.

Due to a malfunction of the projector, the slide presentation by Scriptor Bob Craig was deferred until the Spring 1977 meeting.

President Tippy appointed the following committees: **NOMINATIONS:** Paul Jensen, Chairman, Raymond Cole, and Charles Rogers. **MEMBERSHIP AND PUBLICITY:** Robert Craig, Chairman, Charles Kagey, and Sam Nichols. **PUBLICATIONS:** John Fliss, Chairman, W. E. Williams, and Paul Greenberg. The President and Secretary will serve as ex-Officio members of all committees.

Thanks were extended to Paul and Betty Jensen for hosting the social hour and to Paul Whitaker for the favors for distribution. The door prize for having traveled the greatest distance was presented to Paul Greenberg of Yonkers, N. Y.

Secretary Walter Caldwell reminded all members that 1977 dues of \$3.00 are now payable. Reminders will be forwarded with the next membership bulletin. It was noted that any new member signed now would be paid until December of 1977.

There being no further business, the meeting was adjourned.

CLOSING DATE

Oct. 1, 1976

OTHERS CHARGE \$1.00 OR MORE FOR PRICES REALIZED !! This is a FREE bonus for all NSCA members !! Many members record all of the prices on the last auction list so that they have a current guide as to prices on coal and lumber tokens !! On tie bids, earliest postmark was awarded the lot..... On numbers not shown, no bids were received !!

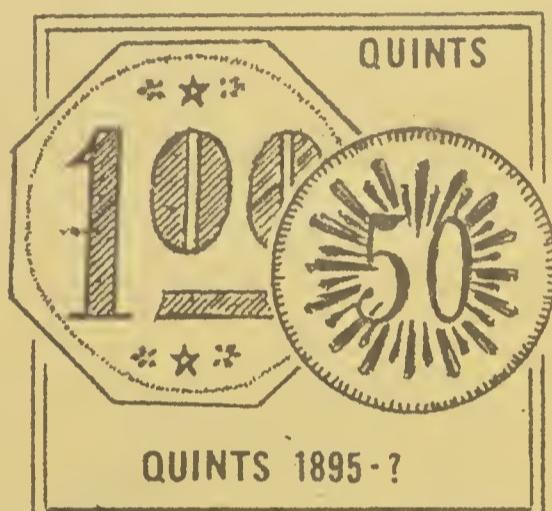

Dear Friend:

The need is urgent for better type coal and lumber tokens for future mail auction sales!! I have exhausted all of my duplicate material to keep the bulletin going so... will buy better material or will take on consignment basis. If it sells, you pay only 20% commission. If it does not sell, you pay only postage and insurance!! Give us a try and see what happens!! The better the material, the better the price you will receive. Our members recognize good token material and are ready to buy. THANKS!

QUESTION AND ANSWER

By: John Fliss

(Continued from another page in this issue)

MAVERICKS (Can you identify?)

Northern Central Coal Co.

Pa. C & S Co.

H.H.C.C. (Said to be coal)

L.P.C. of A. Good for 1 car of stone

Purvis Lumber Mills

Renois Coal Co.

NEW FINDS

L.E. Hensley, Nolan, W.Va. 25¢ alum
(Winifrede Bock Coal Co.)

Italian Blue Gem CoalCo. 2¢ piece

Odin Coal Co. (Illinois)

T.W. Reynolds Lumber Co 2¢ Smackover,
Arkansas

Waldo Lumber Co. Waldo, Ark. 80¢

(Editor's Note: The comments on L. M. Kuhn by Editor Fliss brings up the old subject of the "fuzzy" area of coal tokens. As previously mentioned, many, many merchants located in coal towns or coal areas had association with miners and in some cases with the coal company.... What degree of association is necessary to establish it as a coal or coal related token as opposed to a merchant token? Scriptor Fliss (and our other members) would appreciate your comments on this so send to John for the next issue. Thanks! W.C.
